

Let the fun begin...

***Camp fees increase after May 1, 2012
Register early!!!**

Program Details

- Drop off is at 7:45
- Snacks are provided daily

Peace Camp July 16-20 (5 days)

8:00-noon Ages 5-10
Give peace a chance. Peace starts with each of us. We will do teambuilding challenges; learn how to communicate and express our feelings, and to appreciate the diversity in each one of us. Celebrate the week in a unique way. We will do many activities and crafts to help us support peace in ourselves, our town and our world. (Fee: \$55*/\$65)

Camp Dig July 23-27 (5 days)

8:00-noon Ages 5-10
Get ready to explore our states hidden history by becoming an historical detective! Help us uncover how things have changed in Northwest Ohio. Begin the journey by digging up some dinosaur bones and move through to modern times. (Fee: \$55*/\$65)

Me and My World July 30-Aug 3 (5 days)

8:00-noon Ages 5-10
Learn about our world and all the amazing things that go on all day, every day. Learn easy and fun ways to 'Go Green' by participating in games and activities. Make a solar oven and a small wind turbine. See why renewable energy sources are the way to go. (Fee: \$55*/\$65)

Aquatic Adventures August 6-9 (4 days)

8:00-3:00 Ages 8-12
Explore the science of water while learning how to protect this valuable resource. Activities will include science experiments, a hike to the wetlands, many different water games, and SWIMMING. (Fee: \$70*/\$80)

Grow It, Eat It, Share It June 11-14 (4 days)

8:00-3:00 Ages 5-10
How would you like to plant a garden? Gather eggs? Have a worm farm? Make lunch from the food on our farm? Share a meal with your parents on the last day of camp? If that sounds exciting and fun, come and join us. We will provide lunch each day for the campers. (Fee: \$70*/\$80)

Science Camp June 18-22 (5 days)

8:00-noon Ages 5-10
Let's look at science. How do scientists do experiments? What can you invent that is new and different? What is the science of roller coasters? How do engineers build tall buildings? How tall can you make a structure out of toothpicks? There will be many experiments and hands-on activities this whole week as we discover the wonderful world of science together. (Fee: \$55*/\$65)

Animals, Animals Everywhere June 25-29

(5 days) 8:00-noon Ages 5-10
What would our world be like without animals? We will spend the week looking at animals and what they need to survive. How many animals can we find in our wetlands and woods? Are all animals cute and cuddly? Help care, observe, and pet our center's animals. Let's take a week and explore the world of animals. (Fee: \$55*/\$65)

I Will Survive July 9-12 (4 days) 8 A.M.-3 P.M.

Ages 8-12 Spend Wed. night in the woods
Can you survive a night in our woods? Learn to build a fire and cook over the campfire, collect water, and discover what is safe to eat and not eat in the wild. Build a shelter and spend the night in the woods. Go hiking and spend time outside learning about the great outdoors. (Fee: \$70*/\$80)

Registration Form

Child's Name _____

Age: _____ Grade Fall 2012 _____

Parent Name _____
